L'art contemporain, c'est :

- ☐ une Ferrari qui entre dans un salon sans s'essuyer les pneus
- ☐ un truc imaginé par ceux qui sont au courant
- ☐ un polar d'autant plus haletant qu'on en ignore l'intrigue exacte

Qui pro quo
de l'art contemporain™

KK122 – Laurent d'Ursel

L'art contemporain, c'est :

- ☐ un marché comme un autre, avec ses prolétaires, ses assistés, ses publicitaires, ses investisseurs, ses fortunes foudroyantes, ses marques, ses produits d'appel, ses têtes de gondole, ses soldes, ses faillites et ses curateurs
- ☐ une appellation contrôlée par les inspecteurs de la police de l'art appointés par une agence de certification financée par ceux qui croient que cette agence existe
- ☐ un clin d'œil appuyé, racoleur, obséquieux, lancinant, compulsif, tactique, dogmatique, maladif, humiliant, servile et impuissant à Marcel Duchamp

Qui pro quo
de l'art contemporain™

KK123 – Laurent d'Ursel

L'art contemporain, c'est :

- ☐ l'obsession de ne pas être assez contemporain, c'est-à-dire instantanément classique
- ☐ l'illusion de vider de sa substance la vieille querelle des Anciens et des Modernes
- ☐ la mise en abîme préventive de l'art contemporain

Quiiproquo
de l'art contemporain™

KKI24 – Laurent d'Ursel

L'art contemporain, c'est :

- ☐ l'art de faire de l'art depuis que « faire la révolution » pue la faute de goût
- ☐ l'art de faire l'actualité sans être d'actualité
- ☐ l'art de prémâcher la besogne des historiens de l'art contemporain

Quiiproquo
de l'art contemporain™

KKI25 – Laurent d'Ursel

L'art contemporain, c'est :

- ☐ l'art de prendre un immense élan pour faire un saut minuscule, mais incontestable
- ☐ l'art de trouver sa niche et d'aboyer dès que quelqu'un s'en approche
- ☐ l'art de pratiquer la nage synchronisée en solitaire

Quiiproquo
de l'art contemporain™

KKI26 – Laurent d'Ursel

L'art contemporain, c'est :

- ☐ pour ceux qui font de l'art avec la merde dans laquelle ils se sont mis
- ☐ pour ceux qui repartent à zéro tous les matins au saut du lit en se jetant sur leur boîte à messages
- ☐ pour les impatientes, les pressés, les insatiables, bref : pour les enfants artistes pourris gâtés

Quiiproquo
de l'art contemporain™

KKI27 – Laurent d'Ursel

L'art contemporain, c'est :

- ☐ pour les hommes et les femmes que le sexe captive par définition
- ☐ pour les hommes qui conjuguent le verbe *jouir* à tous les temps
- ☐ pour les femmes que jouir ne satisfait pas

Quiiproquo
de l'art contemporain™

KKI28 – Laurent d'Ursel

L'art contemporain, c'est :

- ☐ pour ceux qui ne disent pas « Intéressant ! » ou « Magnifique ! » avant d'avoir demandé « C'est de qui ? »
- ☐ pour ceux qui font des phrases sans verbe, sans sujet, sans adjectif, sans adverbe, sans préposition : rien qu'avec des noms
- ☐ pour les nouveaux conservateurs des musées d'art ancien de demain

Quiiproquo
de l'art contemporain™

KKI29 – Laurent d'Ursel

L'art contemporain, ce n'est pas:

- ☐ pour les peintres du dimanche, les plasticiens du samedi matin, les photographes du cours du soir
- ☐ pour les témoins, les voisins, les victimes, les désespérés, les constipés, les enfants et les cardiaques
- ☐ pour tous ceux qui ne sont pas dans l'art contemporain

Qui pro quo

Questions aux Français. Questions à se poser en groupe ou individuellement à intervalles réguliers.		
Préférez-vous que la France soit un hexagone ou un triangle équilatéral ? Pourquoi ?	Préférez-vous mettre en danger votre identité nationale ou votre produit national brut ? Pourquoi ?	Préférez-vous avoir la puce à l'oreille ou dans le nez ? Pourquoi ?
Préférez-vous être gouverné par une mafia monothéiste, polythéiste ou athée ? Pourquoi ?	Préférez-vous l'eau de Vichy ou le régime de Vichy ? Pourquoi ?	Êtes-vous sûr(e) que ceux qui viennent manger votre pain mangent seulement votre pain ou le pain et le saucisson ? Pourquoi ?
Préférez-vous tourner en rond ou en carré ? Pourquoi ?	Préférez-vous que la prochaine guerre du Golfe soit retransmise en exclusivité par CNN ou par ARTE ? Pourquoi ?	Préférez-vous avoir un cousin germain ou un oncle américain ? Pourquoi ?
